CHIEF SECRETARY'S OFFICE * 24 DEC 1936 * GOVT. OF MYSORE.

SIR,

I am directed to state that the present form of Criminal Quarterly Statement No.5, prescribed in Rule of Practice No.4, dated 31st May 1878, as amended by corrigendum, dated 17th December 1919, (printed at page 38 of Vol.II of Criminal Rules of Practice and Circular Orders) is defective as it does not show the number of cases pending at the beginning of the quarter. This is a serious defect, as in consequence the statement does not show whether arrears are increasing or being reduced, to show which is one of the chief uses of such returns. A modified form for the statement has been approved by the Judges to remedy this defect; and the opportunity has been taken to make some other improvements in the form. Column 13 of the present form, which is headed "Proceedings quashed or order reversed", is useless in its reference to "Quashing", as no Court but the High Court can quash proceedings, and is superfluous in its reference to reversal, which is provided for in the next preceding column, No.12, "Sentence reversed". It is proposed that the present column 13 should be omitted The headings of the remaining columns have been made more explicit, and some additional instructions have been given at the foot of the proposed form. And it has been provided that explanations of delay should be given on the reverse of the form instead of in the Remarks column, in which there is often not enough room for them.

I am to request the sanction of the Government for substituting the accompanying revised form for the existing form of Quarterly Statement No.5 (Criminal).

I have the honour to be,

Sir,

Your most obedient servant,

J. Cunningham

Registrar.
